## **PRESS RELEASE**

**Date:** August 9<sup>th</sup>, 2010

**Re:** Home Entry and Assault

The Neenah Police Department is investigating a home entry and assault that occurred in the Van Street neighborhood in the early morning hours of August 9. At 2:32 a.m., officers were dispatched to a home where a lone male had made entry through a window and indecently touched a sleeping female adult. The female woke up and screamed, causing the intruder to flee the house.

Police were called immediately and began searching the area for the intruder. At the time of this release, the subject has not been identified. He is described as:

White male, mid-20's

Slight build

Last seen wearing dark shorts and a possible hooded sweatshirt

Homes are more frequently entered through windows during the warm summer months when residents keep windows open for air circulation. Residents are encouraged to use a blocker that does not allow the window to be opened more than about six inches.

Residents should also be alert to suspicious activity in their neighborhood and report it promptly to the police department. Anyone who has information pertaining to this incident should call the Neenah Police Department at (920) 886-6000.
