## AN ORDINANCE

The Common Council of the City of Neenah, Wisconsin, do ordain as follows:

**Section 1.** That Neenah Municipal Code, Section 25-128 of the Neenah Subdivisions and Other Land Divisions Code, Storm Sewer Laterals is amended by adding the highlighted language to read as follows:

In addition to any of the foregoing required improvements, owners and developers of subdivisions approved for development within the City shall be required by the Common Council to install storm sewer laterals for each building. Prior to occupancy of any of said buildings, the sump pump system shall be connected to the available storm sewer lateral unless said sump pump system is directed to an approved onsite storm water management area. Roof downspouts shall not be connected to the storm sewer lateral on single-family or two-family residential structures constructed after the adoption date of this revision.

**Section 2. Severability.** In the event any section, subsection, clause, phrase or portion of this ordinance is for any reason held illegal, invalid or unconstitutional by any court of competent jurisdiction, such portion shall be deemed a separate, distinct and independent provision, and such holding shall not affect the validity of the remainder of this ordinance. It is the legislative intent of the Common Council that this ordinance would have been adopted if such illegal provision had not been included or any illegal application had not been made.

**Section 3. Repeal and Effective Date.** All ordinances or parts of ordinances and resolutions in conflict herewith are hereby repealed. This ordinance shall take effect from and after its passage and publication.
