

# 2009 GUIDE RECYCLING AND REFUSE

## YARD WASTE COLLECTION

Yard waste includes brush, hedge and tree trimmings, leaves, lawn rakings, and garden debris. (Grass clippings are prohibited.)

### April 20 to May 22 – 2009

#### – 5 Weekly Collections –

**Beginning April 20 (for Friday's garbage route) and ending May 22 (for Thursday's garbage route) yard waste will be picked up weekly, usually the day after garbage collection.**

All yard waste must be in 35 gallon garbage cans with handles, bushel baskets, or smaller containers which weigh less than 50 pounds each.

You may use 30 gallon biodegradable paper bags. Do not use plastic bags or cardboard boxes for yard waste.

### How to Bundle Yard Waste

**Hedge Trimmings, Garden Debris, and Fine Brush** should be placed loosely in cans or baskets not to exceed 35 gallons in size or 50 pounds in weight or in 30 gallon biodegradable paper bags.

**Small Amounts of Brush** should be bundled, 2 feet in diameter by 4 feet long, and tied with heavy cord (not wire) or placed in 30 gallon biodegradable paper bags or placed loosely in cans.

**Large Amounts of Brush** up to 3 inches in diameter should be kept long and placed adjacent to the street with the butt ends facing one direction for chipping. Large amounts of brush will be picked up on your normal yard waste collection days.

**A Yard Waste Drop-Off Site** is available at the Tullar Road Garage Drop-Off Center—see page 4.

### June through November 2009

#### – Monthly Collection –

**June through November yard waste will be collected monthly.** Yard waste must be placed curbside on the Monday dates listed on page 2. Depending on the amount of yard waste, the collection in an area may take one day or as many as five days.

### Fall Leaf Collection 2009

Leaf collection begins the week of October 12 in Area #1 and continues until it snows or until the last scheduled collection, whichever comes first. Place leaves loose on the terrace for pickup on the dates listed for each area—see page 2. The schedule is subject to delay due to weather conditions.

No plastic bags or containers of leaves will be collected. To avoid polluting storm sewers and to prevent traffic hazards, do not rake leaves or grass into the street.

Please remember—in spring, leaves and yard rakings are placed in containers and in fall, leaves are loose on the terrace.

### Grass Clippings

**The City will not collect grass clippings.** For a fee, you may dispose of grass clippings at the Winnebago County Landfill (727-2884), County Road Y, Oshkosh. Biodegradable 30 gallon paper bags may be left at the landfill. All other bags must be removed. Landfill hours: Mon.- Fri. 7:00 a.m.-3:00 p.m., Sat. 7:00 a.m.-12:00 Noon.
