Re: Gas station robbery

At about 6:20 a.m. today, Neenah Police responded to a call of a robbery that had occurred at the Citgo station at the corner of Green Bay Road and Main Street in Neenah.

The preliminary investigation shows that the suspect entered the business, displayed a handgun, and demanded money. He left with an undisclosed amount of cash.

The suspect is described as an African-American male with a stocky build. The Neenah Police Department is working to make photographs and/or video available to the public to view.

This is the sixth armed robbery of a gas station to occur in the area in a short period of time. The other similar robberies were:
