PRESS RELEASE

Date: 10-06-14

Re: Felony Arrest

At approximately 1:10am Monday morning the Neenah Police Department responded to the 1000 Block of Honey Suckle Lane for a disturbance. Police were advised that the male resident had armed himself with a baseball bat and was threatening to do severe harm to the three children inside the home. Phone contact was made with the suspect at which time he advised he would not release the children as they were his bargaining chips. The suspect threatened to shoot officers if they approached the house. The suspect became more volatile and threatening as negotiations proceeded for the release of the children. The Neenah SWAT team entered the house and arrested the suspect. The three children were found unharmed and returned to their mother. The suspect was uninjured and is facing several charges related to the event.

Lt. Jeff Malcore
