5/30/2019 12:17	19-007330	Traffic Stop	Not Arrested	Very Satisfied	Very Satisfied	Very Satisfied	Very Satisfied	Very Satisfied	I was in town on business, it was a beautiful day when this took place and I was not completely paying attention to the road as I was admiring the views near lake Winnebago. Officer Barnard was extremely pleasant, very much a gentlemen, and polite. He even engaged in conversation with me and asked me what I was in town for. I travel the country often for business and have never been approached by an officer of the law with this level of class and respect. I thank him again for the hospitality and fairness he showed me. Wishing all the best to him and their department.

5/24/2019 11:24	2j90nlhkth	Traffic Stop		Very Satisfied	Very Satisfied	Very Satisfied	Very Satisfied	Very Satisfied	I was pulled over for a traffic stop. The officer was prompt getting to my vehicle explaining why I had been stopped. I had my vehicle turned off and my hands on the steering wheel with identification in hand. ( I was informed in the past that people should be more aware that simply turning off the vehicle can ease an officers concerns of an incident and it makes perfect sense to me. The officer was courteous and efficient getting back to me with a ticket or a warning. Which one of the two is not important with regards to why I am writing this. Police departments often get a bad rap either deserved or undeserved, so I am happy to say that with this traffic stop in Neenah both parties were treated with respect and went on with their day promptly without incident.

5/21/2019 7:43	BC419807-3	Traffic Stop	Not Arrested	Satisfied	Unsatisfied	Unsatisfied	Unsatisfied	Unsatisfied	<p>I got pulled over because my wife forgot to renew her plates and I drove her van. Officer Rodencal told me I might have gotten a warning if it had been just a couple months, but that it had been too long. It doesn't really make sense. It's not like the DMV has been sending past due notices we've ignored. What's the difference how long? I still pay for the full year when I renew either way. I have no traffic violations, no parking tickets, I just came from your A&amp;W Back the Blue event, and I support the police.</p> <p>I figured my wife just forgot to put the sticker on and officer Rodencal was an ass about it when I tried to ask about that. Maybe Neenah is a crime ridden hell hole and I don't know it, but I think the vast majority of people you pull over in this town are good citizens. You should treat them like that when you pull them over. Officer Rodencal made it seem like I was a scofflaw who was trying to evade payment. She just forgot to send it in. After forgetting, it was forgotten. I'm happy he stopped me to let me know it was unpaid, and I paid it as soon as I got home. Letting someone off with no ticket ought to be based on that person's record, not how many weeks it's been overdue.</p> <p>And, you officers should treat people like good people who made an honest mistake - not with impatient dickishness.</p> <p>-Thanks.</p>

A heavy handed approach isn't always necessary to gain effective compliance with traffic laws. Officer Miller understands this and uses effective communication skills to deliver clear expectations. His approach will get the desired results without completely ruining my day. Thank you and kudos to the City of Neenah for hiring an excellent law enforcement officer.

4/27/2019 12:28	19-004766	Traffic Crash	Not Arrested	Satisfied	Unsatisfied	Very Unsatisfied	Very Unsatisfied	Very Unsatisfied	<p>Officer Jessica Trochinski had the attitude of being irritated and bothered while at the accident scene. Several parts of her handwriting are near illegible on the paperwork written at the scene. She failed to report accurately in several areas of her accident report of which I have proof to support ( ex; she reports road conditions were dry; they were wet and I have pictures to support this). She never verified ownership of either vehicle, she states Timothy Dausey as owner of striking vehicle. Timothy purchased this vehicle from a private party and never registered the vehicle in his name so he is not the legal registered owner of this vehicle. She also states striking vehicle is insured by American Family, it is uninsured. It took 3 days for my insurance and American Family to untangle the mess of registered ownership of the striking vehicle and whether there was or was not an active insurance policy anywhere on this vehicle.</p> <p>I have printed a copy of the original Wisconsin Motor Vehicle Crash Report submitted by Officer Trochinski and have an outline of several discrepancies in this report to which again, I have proof to support. I'm very unsatisfied with the actions of this Officer and her lack of integrity in doing her job accurately and professionally. I will be following up with Chief Olson in the near future regarding this situation.</p> <p>Penny Hoffman</p>
