1/15/2020 3:05	BD967836-2	Traffic Stop	Not Arrested	N/A	Very Unsatisfied	Very Satisfied	Neutral	Very Unsatisfied	Officer Paige Collins stated "I guess I can just arrest this." right before she turned to leave after she explained my citation for not having a current insurance card in my vehicle. I guess I did not realize that though I was about to pull away from where I had stopped to look at the train where there was no traffic on the road until she arrived could warrant a comment about being arrested. Why is she trying to desensitize the community to what the authority of an arrest actually does? Does She like to see fear in my face? I did hear Spanish coming from one of the train cars while I was stopped there. The railroad people checked the cars when I told them that. They found 2 people. It's too cold to be hopping the train. I have been looking for the homeless in our community getting them to shelters since 1992.
