**DATE:** 7/29/2013      **EFFECTIVE DATE:** Immediately      **Policy No:** 2013-4  
**TITLE:** Operator (Bartender) License Approval Policy  
**ISSUER:** City Clerk  
**COVERAGE:** All applicants for Operator (Bartender) License  
**AUTHORITY:** Common Council Approval on August 7, 2013  
**DURATION:** Indefinite  
**SYNOPSIS:** Guidelines for Operator's (Bartender's) License Application Approval

---

### **INTRODUCTION**

This policy is intended to provide operational guidance in implementing the procedures for issuing operator's (bartender's) licenses under Neenah Code § 4-98. To the extent that this policy conflicts with the Neenah Code, the Neenah Code shall prevail. Copies of this policy shall be distributed to applicants for operator's (bartender's) licenses along with the application form.

### **POLICY**

Applicants for a Beverage Operator License must have completed a qualified Responsible Beverage Server training course within the past two years or show proof of a current, or less than two years expired, beverage operator license in a different community. (Chapter 125.17(6) State Statutes) The Public Services & Safety Committee and the Council **must** approve all licenses prior to issuance. The Clerk shall prepare an approval schedule to be distributed to applicants.

An applicant must complete an application in the Office of the City Clerk located at 211 Walnut Street. At the time of making application, the applicant must provide identification (driver's license or I.D. Card) and pay the \$60 license fee. **A new license will be good for what remains of a two-year cycle. Upon renewal, all licenses will be good for two-years.** The approval process takes anywhere from 3-4 weeks, after which the applicant may pick their license up at the City Clerk's Office or request that it be mailed, if the application is approved.

**A Provisional License** may be issued to allow a first time applicant time to take the Responsible Beverage Server training course. The license will expire 60 days from issuance or upon final action by the Common Council. Applicants must provide proof of enrollment into the course, apply and pay for both the provisional license and the regular license (\$75). The regular Beverage Operator License will be held after approval until proof of taking the class has been provided.

**A Provisional License** may also be issued to an applicant who requires a Beverage Operator License prior to Council approval date. The provisional license expires 60 days from issuance or upon final action on the application by the Common Council, whichever is earlier. Applicants must provide proof of taking the class or a current, or less than two years expired, beverage operator license in the City of Neenah (for renewals) or a different community. Applicants must complete the application and pay for both the provisional license and the regular license. (\$75)

Provisional licenses may not be issued to new applications who were previously denied a license by the Common Council. The Clerk may revoke a provisional license if it is discovered that the applicant made a false statement on the license application or if the applicant fails the responsible beverage server training course. No applicant shall be issued more than one (1) provisional license in any two-year license period.

The application for an original or renewal of a beverage operator license in the City of Neenah asks questions regarding past convictions under State or Federal Laws, either as an adult or as a juvenile. **These questions MUST be answered truthfully.** Applicants are encouraged to read the questions carefully. Failure to disclose information may be grounds for denial of the license application.

A background check is performed on all applicants. In addition to reviewing an applicant's background for convictions, the City will also conduct a check for any delinquent taxes, bills or forfeitures, which must be paid prior to the issuance of any City license lying, giving false or incomplete information, or misinformation on the Application may be grounds for denial of a license. **Should the information provided by the applicant be found INCORRECT, the license application will be denied (new application) or recommended for denial (renewal application).** The Common Council has adopted the following "Parameters for Denial of a Beverage Operator's License (Bartender License)" as a guideline for license denials. **If an applicant has two or more convictions of the offenses listed or a combination of two more convictions of the offenses listed, or a single felony conviction substantially related to the beverage operator's license, or deemed an habitual offender the application will be denied, if the application is for a new license and recommended for denial if the application is for a renewed license.**

### **PARAMETERS FOR DENIAL OF A OPERATOR'S (BARTENDER'S) LICENSE**

1. Conviction for underage selling during the past 2 years.
2. Conviction for underage person on premise during the past 2 years.
3. Conviction of any substance abuse during the past 2 years.
4. Conviction of operating a motor vehicle or boat under the influence of any alcohol or controlled substance during the past 2 years.
5. Conviction of allowing a person to use operator's license during the past 2 years.
6. Conviction of selling to an intoxicated person during the past 2 years.
7. Conviction of selling after hours in the past 2 years.
8. Conviction of selling without a license in the past 2 years.
9. Conviction of any part of Chapter 125 State Statutes, not listed above, relating to alcohol beverages during the past 2 years.
10. A conviction of charges related to the activities performed while bartending within the past 2 years.
11. Any felon where the circumstances of the charges substantially related to the licensing activity.
12. Convictions of illegal gambling during the past 2 years.

If the application is for a new license, the City Clerk on behalf of the police department shall notify the applicant of the department's decision to deny the license application. The notice shall inform the applicant of the reasons for the denial and of the applicant's right to appeal such determination to the Public Services and Safety Committee, as provided for in this policy. If the denial by the Police Department was due to the applicant being an habitual law offender, that denial shall automatically be reviewed by the Public Services & Safety Committee. Any new applicant denied a license may appeal the decision by filing a notice of appeal with the City Clerk within 10 days after written notice of denial is mailed to the applicant. The appeal shall be stated in writing and shall state in detail the grounds for reversal of the license denial by the police department and shall be signed by the applicant. The Clerk shall submit the appeal to the PSSC to conduct a review and make a recommendation to the Council. The chair of the PSSC shall set a date and time for consideration and review of the appeal. The City Clerk shall send written notice of the date and time of the PSSC/Council consideration of the appeal to the applicant by first class mail at least two days prior to the dates set forth for such meeting.

If the Police Department determines grounds exist to deny the application for a renewed license, the City Clerk will notify the applicant of the date and time the PSSC will meet to conduct a hearing on the police department's recommendation to deny the license. If both the PSSC & Council deny the license, the Clerk shall provide the applicant with written reasons for denial of their license.

**IF THE APPLICATION SHOULD BE DENIED BY THE POLICE DEPARTMENT AND NOT APPEALED OR DENIED BY THE COMMON COUNCIL AFTER APPEAL. THE APPLICANT CANNOT RE-APPLY UNTIL ONE YEAR AFTER THE DENIAL. ALL FEES ARE NON-REFUNDABLE.**

ORDINANCE NO. 2013-7  
Introduced: August 7, 2013  
Committee/Commission Action:  
**RECOMMENDED FOR PASSAGE**

## AN ORDINANCE

The Common Council of the City of Neenah, Wisconsin, do ordain as follows:

Section 4-95(g) of the Code of Ordinances of the City of Neenah is created to read as follows:

- (g) *Servers.* It shall be unlawful for the licensee or any employee of a licensed establishment to be under the influence of an intoxicant (with a breath or blood alcohol content of .08 or more) while performing services on the licensed premises. Law enforcement officials shall be allowed to ask for Preliminary Breath Test with reasonable suspicion. Refusal to submit to a requested test may be considered by the Common Council as grounds for revocation, suspension, non-issuance, or non-renewal of the server's operator's license.

**Severability.** In the event any section, subsection, clause, phrase or portion of this ordinance is for any reason held illegal, invalid or unconstitutional by any court of competent jurisdiction, such portion shall be deemed a separate, distinct and independent provision, and such holding shall not affect the validity of the remainder of this ordinance. It is the legislative intent of the Common Council that this ordinance would have been adopted if such illegal provision had not been included or any illegal application had not been made.
