There was a gentleman who is known to the PD, he has Downs, and he was walking in the road on W Bell and sitting n the curb. I feared for his safety. He was handled and talked to with the utmost respect and given time to relax. He removed himself from the curb, talked with the officers and went on his way. The care, concern and empathy shown by both officers was exemplary. They followed up with me to let me know that he was safe now and would continue on his way. I was very impressed with the way everything was handled. five *****

The speed limit is 30mph and I was going 35 (my tesla has a large screen that shows exact speed). Officer was sitting in private parking lot for office building on north side of Breezewood. I was told I was speeding but was not, concerned about real reason I was pulled over?!

I feel a warning for the speeding ticket was appropriate, despite the fact it was in a school zone, it was after 4:00 p.m. with no children around. I feel the officer made the correct decision. Objectively, I feel it was fair.

His enthusiasm and passion for what he does for the kids was shown through his words explaining how the program is implemented. I'm excited to partner with Officer Stuart to collect his knowledge to utilize with my SRO and reinvent our approach with the children in our home jurisdiction. You guys have a real gem that really compliments your department. Thank you for letting him be in attendance.

The Neenah office Joseph Benoit saved the day for me. Even though it wasn't a emergency it was still great that he could do that for me. He was very friendly and helpful for a nonemergency issue. And that is what all police officer should be like. Thank you Kelly Hoffmann

My issue is that on the warning/ violation notice nothing that was listed about the vehicle or the license plate number was correct. Which makes me think I wasn't the one that should have gotten pulled over and that the car in front of me (08 chevy impala) should have been as that's what is listed. I drive a 03 chevy silverado crew cab.

Educating citizens and reminding them of consequences is a great way to police, and makes a larger impact over citing someone a few hundred dollars. I really appreciated Officer Lehman's human approach to this situation. I'm a supporter of Neenah Police and appreciate what the force does for the community.
