

## Press Release

**Date: May 10, 2017**

**Re: Death**

On May 9, 2017, at approximately 1:00 p.m., Neenah Police Officers responded to the 1300 block of Gillingham Road in the City of Neenah for a report of a person who was down on the ground. Gold Cross Ambulance and Neenah/Menasha Fire Rescue also responded. Upon arrival, officers found a male white, approximately 30 years old, who was clearly deceased near the back of a commercial building.

The Winnebago County Coroner's office responded and directed an autopsy be completed. That autopsy took place at the Fond Du Lac County Medical Examiner's Office today. Toxicology reports are expected within several weeks.

There was no obvious sign of trauma. The man did not have any identification on his person, and our agency is working with the Winnebago County Coroner's Office to positively confirm his identity and then make appropriate notifications to family members.

The death does not appear to be suspicious and there is no danger to the public.

Additional information will be released when identify is known and when toxicology reports are received.
