Re: Death (additional details)

On May 9, 2017, at approximately 1:00 p.m., Neenah police officers responded to the 1300 block of Gillingham Rd in the city of Neenah for a report of a person who was down on the ground. Officers found a male who was deceased near the back of a commercial building.

The police department, in cooperation with the Winnebago County Coroner's Office, worked to positively identify the man. He did not have identification on his person. The man has been positively identified, and family members have been notified.

The man is identified as:

Shawn T. Carter, 32 years, no permanent address

Mr. Carter had previous addresses in Waupaca and Winnebago Counties, but appears to have been homeless recently.

We continue to wait for toxicology results.
