I support the Neenah Police Department (NPD) and hold them in high regard for the service and committment they have for this community. They put their lives on the line everyday. Also, Officer Stu is a great ambassador for the NPD. I enjoyed the active shooter seminar he gave at Peace Lutheran Church. I am a trustee there and felt he did a great job moving us forward in the issues that surround us in 2018. Best Regards, Santy Vongkhamsaeng
6/20/2018 0:06	18-010611	Traffic Stop	Arrested	Very Satisfied	Very Satisfied	Very Satisfied	Very Satisfied	Very Satisfied	This officer was very cordial with me and my son during this short stop. I took his advice and will improve by driving happily. Also, he understood that I was running to back to the store to pick more food before 8pm closure. He felt the human aspect of that and did his best to save a single dad from a heavy fine.Lastly, I noticed the offer wore a body camera which is a good thing for accountability purpose. Neenah PD should come up with a policy to have patrol officers inform citizens during a traffic stop that the interaction will be recorded.

6/28/2018 13:53	18-011060	Other	Not Arrested	Very Satisfied	Very Satisfied	Very Satisfied	Very Satisfied	Very Satisfied	Officer Mulroy arrived very soon after the call. He let me know it was ok to call and next time if Im suspicious of a customer doing drugs in bathroom I can call. I work at Mobile West on Gillingham. It is really bad. I see lots of people come in the gas station. And when I ID them, most times they are from Milwaukee and Chicago. They don't hide the fact that they are probably drug dealers. They pull up in either very expensive cars or a very "sticks out as an inner city car" sometimes with absolutely no license plates. They waer super flashy clothes. They pull wads out \$100s sometimes by the size of the rolls can be in the high thousands to pay for their items. What I gather from overhearing them talk to each other or on their phones that they are meeting family or friends at PrimRose/Apple Blossom. I feel especially at night, Police should really keep an eye on the roads that lead from the freeway to there. And make sure these criminals are not bringing drugs to our community. I think a lookout at Soleas and the gas station parking lot should be checked periodically. Finding needles on the location is getting so bad too. During this incident, Officer Mulroy informed me the third male that came in and checked on the female who was in the bathroom that was doing drugs came in a different vehicle concludes that it was also probably a drug deal that happened. I think this is happening more times than us employees can catch due to them parking on the side of the building by the dumpsters in which was the case of when I called on the girl doing drugs. The car she got into was parked where I couldn't see from inside. Its a sad time in this age and I hope we can try to stop this from happening to this wonderful community. I will continue to be diligent!!! Officer Mulroy gave me the confidence to alert you if I see anything else. Neenah Police, keep up the great job!
