**DATE:** January 7, 2019

**RE:** Neenah High School

The Neenah Police Department has been working with Neenah High School and have identified a student responsible for pulling the fire alarm at the school the past two school days. Unfortunately, during the investigation there were students who created messages on social media that made the situation worse. All of the students who created the messages, we are aware of have been dealt with.

We believe that the situation has been resolved, there will still be an increased police presence at the school in the coming days. Tuesday at Neenah High School will be a normal day. Thank you to all who provided tips in helping to keep our community and schools safe.

If anyone believes they have information that could assist our investigations, please contact our department.
