

2019 GUIDE RECYCLING AND REFUSE

For automated collection information, see page 6.

CART SIZE EXCHANGE

Residents can now contact the City to make a cart exchange request by calling **920-886-6256** to leave a voice mail message or on-line at www.ci.neenah.wi.us/CartExchange.

Due to the large number of residents affected by the loss of outgoing mail (September 2018), we ask that any resident that has not yet received

their desired cart size, please use this voice mail box or on-line form to request an exchange before **January 11, 2019**. Crews are in the process of making these exchanges, and will continue until all requests are fulfilled.

Any cart exchange requests made after January 11, 2019, will be charged a fee of \$25.00 per cart.

YARD WASTE COLLECTION

Yard waste includes brush, hedge and tree trimmings, leaves, lawn rakings, and garden debris. (Grass clippings are prohibited.)

April 16 to May 20 – 2019

— 5 Weekly Collections —

Beginning April 16 (for Monday's refuse route) and ending May 20 (for Friday's refuse route) yard waste will be picked up weekly, usually the day after refuse collection. NOTE: Only those with refuse collection on Friday, May 17, will have their yard waste pick up on Monday, May 20.

All yard waste must be in 35 gallon garbage cans with handles, bushel baskets, or smaller containers which weigh less than 50 pounds each. You may use 30 gallon biodegradable paper bags. Do not use plastic bags or cardboard boxes for yard waste.

Monthly Collection 2019

From June through November, yard waste will be collected monthly. Yard waste must be placed curbside by 6:30 a.m. on the dates listed on page 2. See map on page 3 for collection area.

Depending on the amount of yard waste, the collection in an area may take one day or as many as five days.

How to Bundle Yard Waste

Hedge Trimmings, Garden Debris, and Fine Brush should be placed loosely in cans or baskets not to exceed 35 gallons in size or 50 pounds in weight or in 30 gallon biodegradable paper bags.

Small Amounts of Brush should be bundled, 2 feet in diameter by 4 feet long, and tied with heavy cord (not wire) or placed in 30 gallon biodegradable paper bags or placed loosely in cans.

Large Amounts of Brush up to 3 inches in diameter should be kept long and placed adjacent to the street with the cut ends facing the same direction as traffic flow would be for your side of the street. Large amounts of brush will be picked up on your normal yard waste collection days.

A Yard Waste Drop-Off Site is available at the Tullar Road Garage Drop-Off Center—see page 4.

Please remember—in spring, leaves and yard rakings are placed in containers and in fall, leaves are loose on the terrace.

Grass Clippings

The City will not collect grass clippings. For a fee, you may dispose of grass clippings at the Winnebago County Landfill (920-727-2884), 100 W. County Road Y, Oshkosh. Biodegradable 30 gallon paper bags may be left at the landfill. All other bags must be removed. Landfill hours: Mon.-Fri. 7:00 a.m.-3:00 p.m., Sat. 7:00 a.m.-12:00 Noon.
