I waved at him and although he had not been dispatched to the scene, he saw me and thought I may be in need of help. He went out of his way, quite literally, to stop and help me through the entire process of the ordeal. Although I would have never hoped to be involved in a hit and run, I am very thankful for the outcome due to the NPD's fast response!

I have taught in the school district for 19 years at Shattuck. I have had contact with police officers in my capacity as a teacher but never in this situation. I appreciate how professionally Officer Olson handled the situation. A couple students witnessed me pulled over, so it led to some good laughs, too. I now know why U-turns in front of Horace Mann are ill-advised.
