**RE: SWAT Incident, 400 Block of Quarry Lane, Neenah**

On February 13, 2019, at approximately 11:40 p.m., Neenah Police officers were alerted to an individual who was threatening another individual in the 400 block of Quarry Lane. The initial information indicated that a white male, in his early 30's, was intoxicated and had several weapons at his disposal. Based on the officer's initial investigation, the police department deemed the information to be credible.

Upon the officer's arrival to the residence, the male barricaded himself inside his home. Further information was relayed to the officers indicated that the subject had armed himself with a firearm and was threatening to shoot law enforcement if they attempted to enter his residence.

The officers surrounded the residence and the Neenah Police SWAT Team and negotiators were called in. Due to the cold weather, the Neenah Police Department also requested assistance from the Winnebago County Sheriff's Office, Appleton Police Department, Menasha Police Department, Fox Crossing Police Department, and the Wisconsin State Patrol.

After several hours of failed negotiations between the suspect and the negotiators, the Neenah Police Department breached the front door of the residence using an armored vehicle. Within minutes, the suspect surrendered himself without further incident.

The Neenah Police Department has a search warrant to search the property and are doing so now. Further information to follow.
