**DATE:**     **July 14, 2019**

**RE:**        **Shooting Incident**

Officers from the Neenah Police Department responded to a report of a shooting in the 900 block of Harrison Street. Just after 6:00 a.m., on July 14, 2019, the Neenah Police Department received a report of multiple gunshots in the area, with broken glass on the roadway. Investigative information led officers to make contact at a particular residence where two male adults were taken into custody. The police department is referring charges to the district attorney's office for both males.

During the investigation, it was determined the shots were not fired at any other people and this was not an act of violence against anyone. We were also able to determine the broken glass found on scene is likely not related to the shooting report. There is no concern for public safety regarding this incident.
