**REQUIRED COMMUNICATION OF INTERNAL CONTROL RELATED MATTERS
IDENTIFIED IN THE AUDIT TO THOSE CHARGED WITH GOVERNANCE**

Neenah Water Commission
Neenah, Wisconsin

In planning and performing our audit of the financial statements of Neenah Water Utility as of and for the year ended December 31, 2018, in accordance with auditing standards generally accepted in the United States of America, we considered its internal control over financial reporting (internal control) as a basis for designing our auditing procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of its internal control. Accordingly, we do not express an opinion on the effectiveness of its internal control.

Our consideration of internal control was for the limited purpose described in the preceding paragraph and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and, therefore, material weaknesses or significant deficiencies may exist that were not identified. However, as discussed below, we identified certain deficiencies in internal control that we consider to be a significant deficiency.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A material weakness is a deficiency or combination of deficiencies in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented or detected and corrected, on a timely basis.

A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance. We consider the following deficiency in the Neenah Water Utility's internal control to be significant deficiency:

> Internal Control Over Financial Reporting

This communication is intended solely for the information and use of management, those charged with governance, and others within the organization and is not intended to be, and should not be, used by anyone other than these specified parties.

Baker Tilly Virchow Krause, LLP

Madison, Wisconsin
April 30, 2019

Auditing standards require that we perform procedures to obtain an understanding of your government and its internal control environment as part of the annual audit. This includes an analysis of significant transaction cycles and an analysis of the utility's year-end financial reporting process and preparation of your financial statements.

INTERNAL CONTROL OVER FINANCIAL REPORTING

Properly designed systems of internal control provides your organization with the ability to process and record monthly and year end transactions and prepare annual financial reports.

Our audit includes a review and evaluation of the utility's internal controls relating to financial reporting. Common attributes of a properly designed system of internal control for financial reporting are as follows:

- > There is adequate staffing to prepare financial reports throughout and at the end of the year.
- > Material misstatements are identified and corrected during the normal course of duties.
- > Complete and accurate financial statements including footnotes are prepared.
- > Financial reports are reviewed by an individual who is not the preparer for completeness and accuracy.

Our evaluation of the utility's internal controls relating to financial reporting has identified a control deficiency that is considered a significant deficiency surrounding the preparation of complete and accurate financial statements and footnotes and an independent review by someone other than the preparer.

Management has not prepared financial statements that are in conformity with generally accepted accounting principles. We do note that management completes a detailed review of the financial statements prepared by the auditor.

This level of internal control over financial reporting can be a difficult task for governments that operate with only enough staff to process monthly transactions and reports, and often rely on their auditors to prepare certain year-end financial statements.

OTHER COMMUNICATIONS TO THOSE CHARGED WITH GOVERNANCE

TWO WAY COMMUNICATION REGARDING YOUR AUDIT

As part of our audit of your financial statements, we are providing communications to you throughout the audit process. Auditing requirements provide for two-way communication and are important in assisting the auditor and you with more information relevant to the audit.

As this past audit is concluded, we use what we have learned to begin the planning process for next year's audit. It is important that you understand the following points about the scope and timing of our next audit:

- a. We address the significant risks of material misstatement, whether due to fraud or error, through our detailed audit procedures.
- b. We will obtain an understanding of the five components of internal control sufficient to assess the risk of material misstatement of the financial statements whether due to error or fraud, and to design the nature, timing, and extent of further audit procedures. We will obtain a sufficient understanding by performing risk assessment procedures to evaluate the design of controls relevant to an audit of financial statements and to determine whether they have been implemented. We will use such knowledge to:
 - > Identify types of potential misstatements.
 - > Consider factors that affect the risks of material misstatement.
 - > Design tests of controls, when applicable, and substantive procedures.
- c. The concept of materiality recognizes that some matters, either individually or in the aggregate, are important for fair presentation of financial statements in conformity with generally accepted accounting principles while other matters are not important. In performing the audit, we are concerned with matters that, either individually or in the aggregate, could be material to the financial statements. Our responsibility is to plan and perform the audit to obtain reasonable assurance that material misstatements, whether caused by errors or fraud, are detected.

We are very interested in your views regarding certain matters. Those matters are listed here:

- a. We typically will communicate with your top level of management unless you tell us otherwise.
- b. We understand that the utility commission has the responsibility to oversee the strategic direction of your organization, as well as the overall accountability of the entity. Management has the responsibility for achieving the objectives of the entity.
- c. We need to know your views about your organization's objectives and strategies, and the related business risks that may result in material misstatements.
- d. Which matters do you consider warrant particular attention during the audit, and are there any areas where you request additional procedures to be undertaken?
- e. Have you had any significant communications with regulators or grantor agencies?
- f. Are there other matters that you believe are relevant to the audit of the financial statements or the federal or state awards?

Also, is there anything that we need to know about the attitudes, awareness, and actions of the utility concerning:

- a. The utility's internal control and its importance in the entity, including how those charged with governance oversee the effectiveness of internal control?
- b. The detection or the possibility of fraud?

TWO WAY COMMUNICATION REGARDING YOUR AUDIT (cont.)

We also need to know if you have taken actions in response to developments in financial reporting, laws, accounting standards, governance practices, or other related matters, or in response to previous communications with us.

With regard to the timing of our audit, here is some general information. If necessary, we may do preliminary financial audit work during the months of October-December, and sometimes early January. Our final financial fieldwork is scheduled during the spring to best coincide with your readiness and report deadlines. After fieldwork, we wrap up our financial audit procedures at our office and may issue drafts of our report for your review. Final copies of our report and other communications are issued after approval by your staff. This is typically 6-12 weeks after final fieldwork, but may vary depending on a number of factors.

Keep in mind that while this communication may assist us with planning the scope and timing of the audit, it does not change the auditor's sole responsibility to determine the overall audit strategy and the audit plan, including the nature, timing, and extent of procedures necessary to obtain sufficient appropriate audit evidence.

We realize that you may have questions on what this all means, or wish to provide other feedback. We welcome the opportunity to hear from you.

**COMMUNICATION OF OTHER CONTROL DEFICIENCIES, RECOMMENDATIONS
AND INFORMATIONAL POINTS TO MANAGEMENT THAT ARE NOT
MATERIAL WEAKNESSES OR SIGNIFICANT DEFICIENCIES**

OPERATING RESULTS

The water utility's operating income increased in 2018 to \$3,719,000 compared to \$3,465,000 in 2017. Operating revenues increased \$106,000 primarily due to an increase in industrial revenues. Total operating expenses decreased \$148,000 as a result of a decrease in depreciation and administrative costs.

The water utility's 2018 rate of return was 8.31% compared to 7.37% in 2017. Rates were set January 1, 2011 and were designed to earn a 7.50% rate of return. The high rate of return was requested in order to meet the high debt coverage requirement of 1.40 on some of the utility's outstanding debt issues. The utility has since refunded that debt and now is required to maintain debt coverage of 1.25. Debt coverage was met in 2018 and 2017. Actual debt coverage in 2018 was 2.23.

INFORMATIONAL POINTS

CYBER SECURITY MANAGEMENT

The sources of cyber threats continue to grow in number and sophistication. We have seen social engineering, including email phishing, and ransomware attacks cause disruption and monetary losses in the government landscape. Cybersecurity controls are imperative and may be of several different types:

- > Preventative – activities that make attacks more difficult such as user access and password controls
- > Detective – activities conducted to discover security incidents such as automated or manual reviews of firewall and server logs
- > Responsive – activities performed once an incident has been identified such as a communication plan

Step one in determining which types of controls are best suited for your government is completing a data classification. This process includes identifying what types of data exist, determining data location, and measuring costs associated with the loss of data (i.e. – operational downtime, regulatory fines, or civil lawsuits). This information will help management and those charged with governance be able to evaluate the cost-benefit of control implementation. Even if your government has chosen to obtain cyber liability insurance to mitigate risk, the data classification remains an important exercise to help evaluate the policy coverage, pricing, and what, if any, exposure remains outside of your policy.

Data classification is only one piece of a sustainable cyber security management plan. We have professionals dedicated to cyber security and information technology risk to assist with your cyber security questions, assessments, and programs.

GASB UPDATES

The Government Accounting Standard Board (GASB) has been very active in recent years, issuing new standards at a fast pace. Over the next few years, your government will have many new standards to evaluate and implement. Here are the standards which may impact you in the next year:

- > GASB 83 provides accounting and financial reporting for asset retirement obligations, effective for reporting periods beginning on or after June 15, 2018
- > GASB 84 improves guidance regarding the identification of fiduciary activities and how they should be reported, effective for reporting periods beginning on or after December 15, 2018
- > GASB 88 improves certain disclosures related to debt, including direct borrowings and placements, effective for reporting periods beginning on or after June 15, 2018

INFORMATIONAL POINTS (cont.)

GASB UPDATES (cont.)

- > GASB 90 clarifies accounting and financial reporting for majority equity interests, effective for reporting periods beginning on or after December 15, 2018

Other GASB pronouncements on the horizon, while the implementation dates are in the near term these are anticipated to have significant impacts on many government financial statements:

- > GASB 87 improves accounting and financial reporting for leases, effective for reporting periods beginning on or after December 15, 2019

Looking even further ahead, the Technical Agenda, below, outlines significant areas GASB is currently working on:

- > Conceptual Framework
 - Disclosure
 - Recognition
- > Major Projects
 - Financial Reporting Model
 - Revenue and Expense Recognition
 - Public-Private Partnerships
- > Practice Issues
 - Conduit Debt
 - Deferred Compensation Plans
 - Secured Overnight Financing Rate
 - Subscription-Based IT arrangements
 - Implementation Guidance
- > Pre-Agenda Research
 - Going Concern
 - Compensated Absences
 - Prior-Period Adjustments, Accounting Changes and Error Corrections

Through our firm involvement on AICPA committees, Baker Tilly follows these developments closely so that we can help you prepare for the changes as they evolve. This participation also allows us to share with GASB the experiences and perspectives of our clients to potentially influence the direction of future projects.

Full lists of projects, as well as many resources, are available on GASB's website which is located at www.gasb.org.

INFORMATIONAL POINTS (cont.)

UPCOMING LEASE STANDARD

In June 2017, the Governmental Accounting Standards Board (GASB) issued new guidance to establish a single model for lease accounting based on the foundational principle that leases are financings of the right to use an underlying asset. This standard is effective for fiscal years ending on or after December 31, 2020. Statement No. 87, *Leases*, requires recognition of certain lease assets and liabilities for leases that were previously classified as operating leases and recognize as inflows of resources or outflow of resources based on the payment provisions of the contract.

Under the new standard, a lease is defined as a contract that conveys control of the right to use another entity's nonfinancial asset (underlying asset) as specified in the contract for a period of time in an exchange or exchange-like transaction. Control is defined by 1) the right to obtain the present service capacity from the use of the underlying asset and 2) the right to determine the nature and manner of use of the underlying asset. Any contract that meets this definition should be accounted for under the lease guidance, unless specifically excluded in this statement. Leases include contracts that, although not explicitly identified as leases, meet the above definition of a lease.

There are some exemptions outlined in the standard including, intangible assets, service concession arrangements and supply contracts.

We recommend Neenah Water Utility review this standard and start planning how this will affect your financial reporting. An inventory of all contracts that might meet the definition of a lease should be started. The contract listing should include key terms of the contracts such as:

- > Description of contract
- > Underlying asset
- > Contract term
- > Options for extensions and terminations
- > Service components, if any
- > Dollar amount of lease

In addition, Neenah Water Utility should begin to establish a lease policy to address the treatment of common lease types, including a dollar threshold for each lease. We are available to discuss this further and help you develop an action plan.

REQUIRED COMMUNICATIONS BY THE AUDITOR TO THOSE CHARGED WITH GOVERNANCE

Neenah Water Commission
Neenah, Wisconsin

Thank you for using Baker Tilly Virchow Krause, LLP ("Baker Tilly") as your auditor.

We have completed our audit of the financial statements of Neenah Water Utility (the "Neenah Water Utility") for the year ended December 31, 2018, and have issued our report thereon dated April 30, 2019. This letter presents communications required by our professional standards.

OUR RESPONSIBILITY UNDER AUDITING STANDARDS GENERALLY ACCEPTED IN THE UNITED STATES OF AMERICA

The objective of a financial statement audit is the expression of an opinion on the financial statements. We conducted the audit in accordance with auditing standards generally accepted in the United States of America. These standards require that we plan and perform our audit to obtain reasonable, rather than absolute, assurance about whether the financial statements prepared by management with your oversight are free of material misstatement, whether caused by error or fraud. Our audit included examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing accounting principles used and significant estimates made by management, and evaluating the overall financial statement presentation. Our audit does not relieve management or the commission of their responsibilities.

As part of the audit we obtained an understanding of the entity and its environment, including internal control, sufficient to assess the risks of material misstatement of the financial statements and to design the nature, timing and extent of further audit procedures. The audit was not designed to provide assurance on internal control or to identify deficiencies in internal control.

PLANNED SCOPE AND TIMING OF THE AUDIT

We performed the audit according to the planned scope and timing previously communicated to you in our meeting about planning matters on May 16, 2018.

SIGNIFICANT AUDIT ISSUES

QUALITATIVE ASPECT OF ACCOUNTING POLICIES

Management is responsible for the selection and use of appropriate accounting policies. In accordance with the terms of our engagement letter, we will advise management about the appropriateness of accounting policies and their application. The significant accounting policies used by the Neenah Water Utility are described in Note 1 to the financial statements. No new accounting policies were adopted and the application of existing policies was not changed during 2018.

We noted no transactions entered into by the Neenah Water Utility during the year that were both significant and unusual, and of which, under professional standards, we are required to inform you, or transactions for which there is a lack of authoritative guidance or consensus.

SIGNIFICANT AUDIT ISSUES (cont.)

QUALITATIVE ASPECT OF ACCOUNTING POLICIES (cont.)

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected.

The most sensitive estimates affecting the financial statements were:

Management's estimate of the unbilled revenues for January and February billings is based on the actual 2019 billings. Unbilled revenue related to March billings are based on prior years billings, adjusted for any rate increase effective during the year.

Management's estimate of the net pension liability (asset) and related deferrals is based on information provided by the Wisconsin Retirement System.

We evaluated the key factors and assumptions used to develop the estimates in determining that they are reasonable in relation to the financial statements taken as a whole.

The disclosures in the financial statements are neutral, consistent, and clear.

DIFFICULTIES ENCOUNTERED IN PERFORMING THE AUDIT

We encountered no difficulties in dealing with management in performing and completing our audit.

CORRECTED AND UNCORRECTED MISSTATEMENTS

Professional standards require us to accumulate all known and likely misstatements identified during the audit, other than those that are trivial, and communicate them to the appropriate level of management. There were no misstatements identified.

DISAGREEMENTS WITH MANAGEMENT

For purposes of this letter, professional standards define a disagreement with management as a matter, whether or not resolved to our satisfaction, concerning a financial accounting, reporting, or auditing matter that could be significant to the financial statements or the auditors' report. We are pleased to report that no such disagreements arose during the course of our audit.

CONSULTATIONS WITH OTHER INDEPENDENT ACCOUNTANTS

In some cases, management may decide to consult with other accountants about auditing and accounting matters. If a consultation involves application of an accounting principle to the Neenah Water Utility's financial statements, or a determination of the type of auditors' opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

MANAGEMENT REPRESENTATIONS

We have requested certain representations from management that are included in the management representation letter. This letter has been provided to you.

SIGNIFICANT ISSUES

Professional standards require us to communicate any significant issues that were discussed, or were the subject of correspondence with management. There were no additional communications or correspondence with management that have not been disclosed in this letter.

INDEPENDENCE

We are not aware of any relationships between Baker Tilly and the Neenah Water Utility that, in our professional judgment, may reasonably be thought to bear on our independence.

Relating to our audit of the financial statements of the Neenah Water Utility for the year ended December 31, 2018, Baker Tilly hereby confirms that we are, in our professional judgment, independent with respect to the Neenah Water Utility in accordance with the Code of Professional Conduct issued by the American Institute of Certified Public Accountants. During the year ended December 31, 2018, Baker Tilly provided the following services to the Neenah Water Utility:

- > Technical assistance with the preparation and assembly of the financial statements and notes thereto
- > Civic Systems software

None of these nonaudit services constitute an audit under generally accepted auditing standards, including *Government Auditing Standards*.

OTHER AUDIT ISSUES

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the Neenah Water Utility's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

OTHER MATTERS

We applied certain limited procedures to the required supplementary information (RSI) that supplements the basic financial statements. Our procedures consisted of inquiries of management regarding the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We did not audit the RSI and do not express an opinion or provide any assurance on the RSI.

With respect to the supplementary information accompanying the financial statements, we made certain inquiries of management and evaluated the form, content, and methods of preparing the information to determine that the information complies with accounting principles generally accepted in the United States of America, the method of preparing it has not changed from the prior period, and the information is appropriate and complete in relation to our audit of the financial statements. We compared and reconciled the supplementary information to the underlying accounting records used to prepare the financial statements or to the financial statements themselves.

OTHER MATTERS (cont.)

This information is intended solely for the information and use of the commission and management of the Neenah Water Utility and is not intended to be and should not be used by anyone other than these specified parties.

We welcome the opportunity to discuss the information included in this letter and any other matters. Thank you for allowing us to serve you.

April 30, 2019

Baker Tilly Virchow Krause, LLP
Ten Terrace Court
P.O. Box 7398
Madison WI 53707-7398

Dear Baker Tilly Virchow Krause, LLP:

We are providing this letter in connection with your audit of the financial statements of the Neenah Water Utility as of December 31, 2018 and 2017 and for the years then ended for the purpose of expressing an opinion as to whether the financial statements present fairly, in all material respects, the financial position of the Neenah Water Utility results of operations, and cash flows of its proprietary funds in conformity with accounting principles generally accepted in the United States of America. We confirm that we are responsible for the fair presentation of the previously mentioned financial statements in conformity with accounting principles generally accepted in the United States of America. We are also responsible for adopting sound accounting policies, establishing and maintaining internal control over financial reporting, and preventing and detecting fraud.

Certain representations in this letter are described as being limited to matters that are material. Items are considered material, regardless of size, if they involve an omission or misstatement of accounting information that, in the light of surrounding circumstances, makes it probable that the judgment of a reasonable person relying on the information would be changed or influenced by the omission or misstatement. An omission or misstatement that is monetarily small in amount could be considered material as a result of qualitative factors.

We confirm, to the best of our knowledge and belief, the following representations made to you during your audit.

Financial Statements

1. We have fulfilled our responsibilities, as set out in the terms of the audit engagement letter.
2. The financial statements referred to above are fairly presented in conformity with accounting principles generally accepted in the United States of America. We have engaged you to advise us in fulfilling that responsibility. The financial statements include all properly classified funds of the utility required by accounting principles generally accepted in the United States of America to be included in the financial reporting entity.
3. We acknowledge our responsibility for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.
4. We acknowledge our responsibility for the design, implementation, and maintenance of internal control to prevent and detect fraud.
5. Significant assumptions we used in making accounting estimates, if any, are reasonable.

6. All events subsequent to the date of the financial statements and for which accounting principles generally accepted in the United States of America require adjustment or disclosure have been adjusted or disclosed. No other events, including instances of noncompliance, have occurred subsequent to the balance sheet date and through the date of this letter that would require adjustment to or disclosure in the aforementioned financial statements.
7. All material transactions have been recorded in the accounting records and are reflected in the financial statements.
8. There are no known or possible litigation, claims, and assessments whose effects should be considered when preparing the financial statements. There are no unasserted claims or assessments that our lawyer has advised us are probable of assertion and must be disclosed in accordance with accounting principles generally accepted in the United States of America.
9. Guarantees, whether written or oral, under which the utility is contingently liable, if any, have been properly recorded or disclosed.

Information Provided

10. We have provided you with:
 - a. Access to all information, of which we are aware, that is relevant to the preparation and fair presentation of the financial statements, such as financial records and related data, documentation, and other matters.
 - b. Additional information that you have requested from us for the purpose of the audit.
 - c. Unrestricted access to persons within the entity from whom you determined it necessary to obtain audit evidence.
 - d. Minutes of the meetings of Water Commission or summaries of actions of recent meetings for which minutes have not yet been prepared.
11. We have disclosed to you results of our assessment of the risk that the financial statements may be materially misstated as a result of fraud.
12. We have no knowledge of any fraud or suspected fraud that affects the entity and involves:
 - a. Management,
 - b. Employees who have significant roles in internal control, or
 - c. Others where the fraud could have a material effect on the financial statements.
13. We have no knowledge of any allegations of fraud or suspected fraud affecting the entity received in communications from employees, former employees, regulators, or others.
14. We have no knowledge of known instances of noncompliance or suspected noncompliance with provisions of laws, regulations, contracts, or grant agreements, or abuse, whose effects should be considered when preparing financial statements.
15. There are no known related parties or related party relationships and transactions of which we are aware.

Other

16. There have been no communications from regulatory agencies concerning noncompliance with, or deficiencies in, financial reporting practices.
17. We have taken timely and appropriate steps to remedy fraud, noncompliance with provisions of laws, regulations, contracts or grant agreements, or abuse that you have reported to us.

18. We are responsible for compliance with federal, state, and local laws, regulations, and provisions of contracts and grant agreements applicable to us, including tax or debt limits, debt contracts, and IRS arbitrage regulations; and we have identified and disclosed to you all federal, state, and local laws, regulations and provisions of contracts and grant agreements that we believe have a direct and material effect on the determination of financial statement amounts or other financial data significant to the audit objectives, including legal and contractual provisions for reporting specific activities in separate funds.
19. There are no:
 - a. Violations or possible violations of budget ordinances, federal, state, and local laws or regulations (including those pertaining to adopting, approving and amending budgets), provisions of contracts and grant agreements, tax or debt limits, and any related debt covenants whose effects should be considered for disclosure in the financial statements or as a basis for recording a loss contingency, or for reporting on noncompliance, except those already disclosed in the financial statement, if any.
 - b. Other liabilities or gain or loss contingencies that are required to be accrued or disclosed by accounting principles generally accepted in the United States of America.
 - c. Rates being charged to customers other than the rates as authorized by the applicable authoritative body.
 - d. Violations of restrictions placed on revenues as a result of bond resolution covenants such as revenue distribution or debt service funding.
20. In regards to the nonattest services performed by you listed below, we have 1) accepted all management responsibility; 2) designated an individual with suitable skill, knowledge, or experience to oversee the services; 3) evaluated the adequacy and results of the services performed, and 4) accepted responsibility for the results of the services.
 - a. Financial statement preparation
 - b. Civic Systems software

None of these nonattest services constitute an audit under generally accepted auditing standards, including *Government Auditing Standards*.
21. The Neenah Water Utility has satisfactory title to all owned assets, and there are no liens or encumbrances on such assets nor has any asset been pledged as collateral.
22. The Neenah Water Utility has complied with all aspects of contractual agreements that would have a material effect on the financial statement in the event of noncompliance.
23. Components of net position (net investment in capital assets; restricted; and unrestricted) are properly classified and, if applicable, approved.
24. The Neenah Water Utility has no derivative financial instruments such as contracts that could be assigned to someone else or net settled, interest rate swaps, collars or caps.
25. Deposits and investments are properly classified, valued, and disclosed (including risk disclosures, collateralization agreements, valuation methods, and key inputs, as applicable).
26. Capital assets, including infrastructure and intangible assets, are properly capitalized, reported, and, if applicable, depreciated/amortized. Any known impairments have been recorded and disclosed.
27. Tax-exempt bonds issued have retained their tax-exempt status.

28. We have appropriately disclosed the Neenah Water Utility's policy regarding whether to first apply restricted or unrestricted resources when an expense is incurred for purposes for which both restricted and unrestricted net position are available and have determined that net position were properly recognized under the policy.
29. We acknowledge our responsibility for the required supplementary information (RSI). The RSI is measured and presented within prescribed guidelines and the methods of measurement and presentation have not changed from those used in the prior period. We have disclosed to you any significant assumptions and interpretations underlying the measurement and presentation of the RSI.
30. With respect to the supplementary information, (SI):
- a. We acknowledge our responsibility for presenting the SI in accordance with accounting principles generally accepted in the United States of America, and we believe the SI, including its form and content, is fairly presented in accordance with accounting principles generally accepted in the United States of America. The methods of measurement and presentation of the SI have not changed from those used in the prior period, and we have disclosed to you any significant assumptions or interpretations underlying the measurement and presentation of the supplementary information.
 - b. If the SI is not presented with the audited financial statements, we will make the audited financial statements readily available to the intended users of the supplementary information no later than the date we issue the supplementary information and the auditor's report thereon.
31. We assume responsibility for, and agree with, the information provided by the Wisconsin Retirement System as audited by the Legislative Audit Bureau relating to the net pension asset/liability and related deferred outflows and deferred inflows and have adequately considered the reasonableness of the amounts and disclosures used in the financial statements and underlying accounting records. We also assume responsibility for the census data that has been reported to the plan.

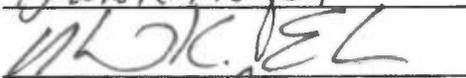

Sincerely,

Neenah Water Utility
