E-POLL BOOKS

& Casting Your Vote

Safe and Secure

E-Poll Book software has been developed by the Wisconsin Election Commission. With secured connections and encrypted data your information remains safe.

Quick Voter Look – Up

By simply entering the voters last name the system will be able to search the City of Neenah and statewide databases.

Electronic Signature

Voters will sign an electronic touch screen rather than a paper poll book. E-Poll books will not be connected to the internet and data will be encrypted.

Marking Your Ballot & Casting Your Vote

Voters will be issued a paper ballot to be completed and inserted into the ICE Voting Machine to be counted.
