

2020 GUIDE RECYCLING AND RE-

Tullar Road Garage Drop-Off Changes

The Tullar Road drop-off facility has been experiencing a steady increase in abuse from individuals that live outside of the City. This extra volume comes at a cost to all City of Neenah taxpayers.

Watch your mail in early 2020 for information regarding our new drop-off program along with a punch card to be used for visits to the Tullar Road Garage.

The new program will allow you to use a punch card as your identification and provide 5 no charge drop-offs of items (i.e., garbage, large items, concrete, dirt) per year with options to purchase an additional card. Most other items will not require a card punch to drop-off (i.e., cardboard, recyclables, yard waste, brush, leaves, oil). Watch for information in early 2020.

YARD WASTE COLLECTION

Yard waste includes brush, hedge and tree trimmings, leaves, lawn rakings, and garden debris. (Grass clippings are prohibited.)

April 14 to May 18 – 2020

— 5 Weekly Collections —

Beginning April 14 (for Monday's refuse route) and ending May 18 (for Friday's refuse route) yard waste will be picked up weekly, usually the week day after refuse collection. NOTE: Only those with refuse collection on Friday, May 15, will have their yard waste pick up on Monday, May 18.

All yard waste must be in 35 gallon garbage cans with handles, bushel baskets, or smaller containers which weigh less than 50 pounds each. You may use 30 gallon biodegradable paper bags. Do not use plastic bags or cardboard boxes for yard waste.

Monthly Collection 2020

From June through November, yard waste will be collected monthly. Yard waste must be placed curbside by 6:30 a.m. on the dates listed on page 2. See map on page 3 for collection area.

Depending on the amount of yard waste, the collection in an area may take one day or as many as five days.

How to Bundle Yard Waste

Hedge Trimmings, Garden Debris, and Fine Brush should be placed loosely in cans or baskets not to exceed 35 gallons in size or 50 pounds in weight or in 30 gallon biodegradable paper bags.

Small Amounts of Brush should be bundled, 2 feet in diameter by 4 feet long, and tied with heavy cord (not wire) or placed in 30 gallon biodegradable paper bags or placed loosely in cans.

Large Amounts of Brush up to 3 inches in diameter should be kept long and placed adjacent to the street with the cut ends facing the same direction as traffic flow would be for your side of the street. Large amounts of brush will be picked up on your normal yard waste collection days.

A Yard Waste Drop-Off Site is available at the Tullar Road Garage Drop-Off Center—see page 4.

Please remember—in spring, leaves and yard rakings are placed in containers and in fall, leaves are loose on the terrace.

Grass Clippings

The City will not collect grass clippings. For a fee, you may dispose of grass clippings at the Winnebago County Landfill (920-232-1800), 100 W. County Road Y, Oshkosh. Biodegradable 30 gallon paper bags may be left at the landfill. All other bags must be removed. Landfill hours: Mon.-Fri. 7:00 a.m.-3:00 p.m., Sat. 7:00 a.m.-12:00 Noon.

Please call Public Works (920-886-6240) or the City Garage (920-886-6260) with questions.

Automated Collection

THINGS TO KNOW

- See map on page 7 for your collection day.
- Recycling is collected every other week. See map on page 7 and calendar on page 8.
- **During holiday weeks, collection may be delayed by 1 day. See calendar on page 8. Please note - if your refuse/recycling day is normally on Friday, your pickup may be Saturday during a holiday week.**
- Place carts curbside no later than 6:30 AM on your day of collection.
- Keep carts 3 feet apart to allow room for automated equipment.
- Keep carts 3 feet from other objects, i.e., trees, poles, mailboxes, parked cars.
- Place carts with arrows toward street for collection.
- Overflow refuse or recycling placed next to or on top of your cart will not be collected. Covers must close.
- Carts are property of the City of Neenah. If you move, you must leave the cart at the address they were delivered.
- All other collection dates (yard waste, large items/ metal, fall leaf) can be found on the schedule on page 2 and the map on page 3.
- Do not place yard waste, large items/metal or leaves in your refuse or recycling cart.
- Contact the City at **920-886-6240** to request a cart exchange. A fee of \$25 per cart will be charged. No charge for new owners.
- Residents can request an additional 95 gallon cart for an annual fee of \$185 for a refuse cart and \$25 for a recycling cart by contacting the Public Works Department at 920-886-6240.

CART PLACEMENT GUIDELINES

- ✓ Place your cart at the curb with the front of the lid facing the street with a minimum of three feet between each cart, mailbox, vehicle, utility pole, or any other object.
- ✓ If terrace is too narrow to place the cart without obstructing your sidewalk, place your cart on your driveway apron.
- ✓ Do not place carts in the street.
- ✓ Improperly placed carts can not be collected.

WINTER PLACEMENT

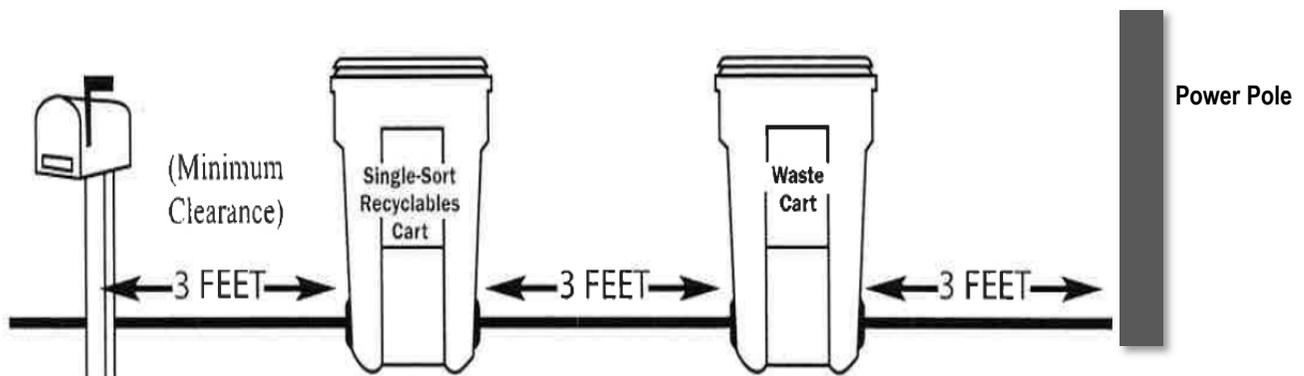

- ✓ After a snow storm, the best location for your cart(s) is on your driveway apron after you have cleared your snow.
- ✓ You could also place your cart(s) on a cleared area on the street side of your terrace, but they must be 3 feet apart.
- ✓ Do not place your cart(s) on snow banks.

EXCESS REFUSE / RECYCLING

- ✓ Hold your occasional excess refuse or recycling materials until the next collection week.
- ✓ Check with your neighbors to see if they have room.
- ✓ Take your excess recycling to the Tullar Road Garage at 1495 Tullar Road (see page 4).

35 Gallon Carts

Residents with 35 gallon refuse or recycling carts may occasionally find their carts are not emptied completely. Although efforts are always made to empty carts completely, over-filling the 35 gallon size makes emptying difficult.
