67 Years of "Theatre in the Park"

Dear Community Theatre Supporter:

Riverside Players "Theatre in the Park" has dedicated the past 67 years to providing a very unique and entertaining outdoor theatre experience to our audience. Many talented individuals, throughout the greater Fox Valley community, have the opportunity to perform, work behind the scenes, or sing and dance when they become involved with Riverside Players. It truly is *community theatre*. The scenic environment sets Riverside Players apart from any other community theatres in Wisconsin. If you've never experienced "Theatre in the Park," I invite you to come visit us this summer!

We rely on a combination of municipal sponsorship and individual, business, and corporate partners to support our operation. Our **SUPPORTING CAST** program has made possible many projects, including physical equipment such as lights, curtains, chairs, risers, and youth internship programs. In 2016, we raised \$10,000 to upgrade the electrical system in the Riverside Pavilion (theatre). The city budgeted \$10,000 as well. That project is complete. Our goal since 2018 has been to raise funds to purchase body microphones and a receiver system. One of our primary complaints, from our audiences, is not being able to consistently hear dialog. We're hoping to improve their Riverside Players experience by providing actors with body mics (not all actors, but the principal leads).

Please consider joining us in our 67th year of traditional quality theater. Your tax-deductible gift brings you out of the audience and into our **SUPPORTING CAST**. Supporting Cast contributions help keep Riverside Players an active, vibrant part of the arts community in the Fox Valley. Your contribution of money will help Riverside Players continue to offer quality entertainment at a reasonable price and provide an opportunity for local residents to showcase their abilities in community theatre. If a response is received by May 1st and a gift of \$150+ is submitted, two tickets will be reserved for you for the opening night's performance of "**All Shook Up.**" In addition, you and/or your business will be listed in each show's program.

We hope to see you this summer enjoying Riverside Players "Theatre in the Park".

Sincerely,

Jim Kluge
Superintendent of Recreation
Riverside Players Producer
