OPERATION RECREATION

PARENT HANDBOOK

Dear Parents and Guardians,

Welcome to Neenah Parks & Recreation's Operation Recreation. We are pleased to be able to offer this program to meet the needs of your childcare. Our structure will incorporate the use of the Boy's & Girl's Brigade, nearby parks, such as Green, Washington and Riverside, Neenah Library, and Neenah Pool. Our daily activities may include arts, crafts, cooking projects, hands on science experiments, swimming, games, sports, field trips, making new friends and so much more. We look forward to meeting both you and your child.

This parent handbook is your guide to assist us in providing the best experience possible for your child. Please take the time to review the handbook and keep it on hand throughout your child's enrollment as an information source.

We believe that Operation Recreation will provide your child with the opportunity for healthy growth and development and a great way to make friends. Our programs are designed to be age appropriate, safe and fun!

We see parents as partners in this adventure and welcome your suggestions and comments. Please introduce yourself to our program staff and get to know them. Each of our staff has been carefully selected based on their skills, talents and commitment to healthy child development. They will be happy to answer any questions you may have. Please feel free to give me a call or send an email should you have any questions.
