I got a lot of good feedback about how much people appreciated the message, and also that the officers care about our community. They came early and stayed late to meet people and answer all questions. Everyone is thankful that NPD is our partner in Neenah. There's a lot more we want to learn from you, and it's important to us that we can continue to deepen our relationship. THANK YOU!

My daughter needed some items for a school project that she had left at home this morning. In my haste to help her, I rolled a stop sign. I remember as a child how amazing the officers where when you'd see them ANYWHERE. I then went onto teach in Neenah for 33 years and the tradition continued... Always so kind, easy to approach and so helpful. We have moved to Door County for our retirement, I was in Neenah for some appointments and errands. I unfortunately locked my keys in my van and he came right way to get me back into my van. He was so friendly and took care of it in NO TIME, We are lucky to have such amazing officers. I pray for you all, often, given this crazy world we seem to have. Thank you so much for doing your job, keeping us safe and being so kind and helpful! You are all the best but a special thank you to Office Barnard, my "knight in shining armor" on Friday morning :)
