- Notes:**
- 1) This schedule could vary depending on weather and site conditions.
  - 2) Please contact the Department of Public Works at 920-886-6240 if you have any questions or concerns during the construction project, especially related to safety.
  - 3) Our inspector and/or the contractor will be contacting customers prior to connecting the water services, which will require a water service interruption. We will work to make the connection during a time that is convenient for the customers and the contractor.
  - 4) **Please return the Property Owner Authorization Form to the Department of Public Works as soon as possible.**
