@NEENAH PARKS REC

As we close the chapter on yet another exciting summer of programs and fun, we have some special news to share! The chapel at Oak Hill Cemetery has been restored thanks to a generous local benefactor. The project also included a storage garage. The original chapel was built in 1924 and eventually became a storage area for maintenance equipment. The restoration of the chapel and building of the storage garage allows the chapel to be used as originally intended. Plans are moving forward to allow the public to rent out the space for funeral services and other gatherings in the future. The chapel is located at the southeast corner of Oak Hill Cemetery, which is on Oakridge Rd. and Highway 41.
