RE: 2024 Utility Construction at 668 S PARK AVE

The sanitary sewer and water utility running through your property has been included in the City of Neenah's 2024 Capital Improvement Program Budget which was recently approved by the Common Council. This decision included a consideration of the condition of these utilities that serve the property.

Information will be forwarded to you in the upcoming months, outlining the project including the actual work to be done on your street, parking restrictions, etc. In an effort to keep residents better informed of the project, a Property Information Form has been created. This will allow staff to have alternative ways to communicate with residents with information about the project. To access the form, we ask that residents please go to the link provided below and sign up or go to the Resident Project Information page under the Public Works- Admin/Engineering webpage.
