RE: 2024 Street and Utility Construction on CEDAR ST

Your property is adjacent to or abuts a street that has been included in the City of Neenah's 2024 Capital Improvement Program Budget which was recently approved by the Common Council. This decision included a consideration of the street use, pavement condition, the condition of city utilities (sanitary sewer/water main/storm sewer) that lie under the street, pedestrian usage and other issues that may be unique to your street.

Information will be forwarded to you in the upcoming months, outlining the project including the actual work to be done on your street, parking restrictions, etc. In an effort to keep residents better informed of the project, a Property Information Form has been created. This will allow staff to have alternative ways to communicate with residents with information about the project. To access the form, we ask that residents please go to the link provided below and sign up or go to the Resident Project Information page under the Public Works- Admin/Engineering webpage.

Link: <https://neenahwi.seamlessdocs.com/f/2024ProjectPropertyOwnerInformation>

If you have any questions or concerns, please contact the Public Works Department at (920)886-6240.

Sincerely,

Gerry Kaiser, P.E.
Director of Public Works
