My only comment would be maybe next time, if there are kids in the vehicle, could the officer say hi? As a foster/ adopted-from-foster -care family, all of our kids have trauma surrounding officers. We are working on showing them, that officers good and here for our protection, keeping us safe and upholding the law. I know the kids would appreciate it. Thank you for keeping our city safe.</p>

Brent Moeller is the officer that took the lead, and he was absolutely amazing with my dad, who was very belligerent and confused. I had meant to do the survey since that night because of my upmost respect for Officer Moeller and his treatment of my dad but unfortunately, the night after the incident, my dad was hospitalized for one week and passed away the following Friday. A very very difficult situation that we were in that evening, turned out, very smooth because of these officers and their lead Officer Moeller.
