

## Immigration Violations

### 411.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidelines to members of the Neenah Police Department relating to immigration and interacting with federal immigration officials.

### 411.2 POLICY

It is the policy of the Neenah Police Department that all members make personal and professional commitments to equal enforcement of the law and equal service to the public. Confidence in this commitment will increase the effectiveness of this department in protecting and serving the entire community and recognizing the dignity of all persons, regardless of their national origin or immigration status.

### 411.3 VICTIMS AND WITNESSES

To encourage crime reporting and cooperation in the investigation of criminal activity, all individuals, regardless of their immigration status, must feel secure that contacting or being addressed by members of law enforcement will not automatically lead to immigration inquiry and/or deportation. While it may be necessary to determine the identity of a victim or witness, members shall treat all individuals equally and not in any way that would violate the United States or Wisconsin constitutions.

### 411.4 DETENTIONS

An officer should not detain any individual, for any length of time, for a civil violation of federal immigration laws or a related civil warrant.

An officer who has a reasonable suspicion that an individual already lawfully contacted or detained has committed a criminal violation of federal immigration law may detain the person for a reasonable period of time in order to contact federal immigration officials to verify whether an immigration violation is a federal civil violation or a criminal violation. If the violation is a criminal violation, the officer may continue to detain the person for a reasonable period of time if requested by federal immigration officials (8 USC § 1357(g)(10)). No individual who is otherwise ready to be released should continue to be detained only because questions about the individual's status are unresolved.

If the officer has facts that establish probable cause to believe that a person already lawfully detained has committed a criminal immigration offense, he/she may continue the detention and may request a federal immigration official to respond to the location to take custody of the detained person (8 USC § 1357(g)(10)).

An officer is encouraged to forgo detentions made solely on the basis of a misdemeanor offense when time limitations, availability of personnel, issues of officer safety, communication capabilities, or the potential to obstruct a separate investigation outweigh the need for the detention.
