	2025 STREET CONSTRUCTION UPDATES	
	APRIL 28 – MAY 2	MAY 5 – MAY 9
Douglas Street	The contractor is scheduled to continue construction on private sewer and water services.	No work scheduled. <i>The contractor is required to let the project rest for a period of time to let the utility trenches compact more than can be mechanically compacted, prior to beginning street construction.</i>
Elm Street (Division - Wisconsin)	The contractor is scheduled to continue water main construction.	The contractor is scheduled to begin construction on private sewer and water services.
Hickory Lane	The contractor is scheduled to begin construction on private sewer and water services.	The contractor is scheduled to continue construction on private sewer and water services.

Notes: 1) This schedule could vary depending on weather and site conditions.

- 2) Please contact the Department of Public Works at 920-886-6240 if you have any questions or concerns during the construction project, especially related to safety.
- 3) Our inspector and/or the contractor will be contacting customers prior to connecting the water services, which will require a water service interruption. We will work to make the connection during a time that is convenient for the customers and the contractor.
- 4) **Please return the Property Owner Authorization Form to the Department of Public Works as soon as possible, if you have not already done so.**
