Thank you, Sandy, Jann, and Bill!

At the November Parks & Recreation Commission Meeting, we recognized Sandy Joch, Jann McBride, and Bill McBride for their outstanding service to Doty Cabin. Sandy and Jann served as Docents for 27 and 23 years, respectively, welcoming and engaging visitors with meaningful storytelling and tending to the Cabin's timeless charm. Bill served the Cabin for 23 years through ongoing maintenance and upkeep and acting as an honorary Docent by welcoming visitors. Sandy, Jann, and Bill have made invaluable contributions to the Doty Cabin, and we commend them for their impactful service!

We're Almost to Our Lighthouse Goal!

The Kimberly Point Lighthouse Preservation Project fundraising campaign has reached the \$250,000 mark out of our \$280,000 goal! THANK YOU for your support for this project to help keep this historic landmark shining for many years to come! To find out more about the project, to donate, or to order Kimberly Point Lighthouse apparel (orders due December 1st), scan the QR code to the right.

It's Cold Out! When Will the Ice Rink Be Up?

We look forward to ice rink season each year; however, the ability to have our ice rink at Washington Park is weather dependent. We need at least 6 inches of frost in the ground and temperatures to be in the teens or lower in order to get the rink set. Please keep this in mind if the rink is not open. We will share on our Facebook page if and when we are able to open the rink.

Next Activity Guide

Our **online-only** Winter-Spring Activity Guide will be released mid-December! Like our Facebook page (Neenah Parks & Recreation) for an announcement when it is posted!
