

March 18, 2026

For Immediate Release:

The City of Neenah snow emergency issued on Sunday, March 15, 2026, is lifted effective immediately.

Parking on all City streets is now permitted in accordance with standard regulations. Public Works crews have completed snow removal operations to a level that allows for the safe resumption of normal parking and traffic movement.

The City appreciates the cooperation and patience of residents during this winter storm event, which allowed Public Works crews to complete snow removal operations efficiently and safely.

Residents are encouraged to exercise caution, as patches of blown snow or ice may persist.
