Memorial Bench Guidelines

Bench Donation Guidelines:

If interested in donating a bench, please complete and submit an application to the Parks & Recreation office. You will be notified if your application is approved, and payment will then be due. **Please Note:** Payments will not be accepted prior to getting departmental approval of the bench.

Benches are currently only available at Washington Park and are already installed near the splash pad. Please visit the park to decide which bench you'd like prior to filling out the application.

Donation Amount:

- A bench donation is \$3,000. The donation amount includes the bench, plaque, installation, maintenance, and repair for a period of 10 years. You will have the option to renew this term when it expires. Should you choose not to, the location will be open to a new applicant.
- Bench donations are tax deductible, and a receipt will be issued to the donor by the City.

Installation & Location Choices:

- Installations are seasonal and are done as weather and ground conditions permit. It could take up to a year for installation to take place.
- Occasionally, there may be a need to relocate a donation if there are frequent repairs needed, or if the park is undergoing new development. If this is the case, the Parks & Recreation Department undertakes the relocation and covers all of the costs. Every attempt will be made to notify the original donor.
- **Parks/Trails NOT available for bench donations:** Riverside Park, Kimberly Point Park, Doty Park, Arrowhead Park, Herb & Dolly Smith Park, Shattuck Park (these parks have reached their bench capacity).

Neenah Parks & Recreation Department understands that the bench may have sentimental value; however, it is not to be considered a memorial or shrine. For that reason, the City respectfully requests that placement of flowers, wreaths, pictures, etc. at the site or adding fixtures to the donated bench is not permitted.

Thank you for your donation!

Trees for the Living Guidelines

Tree Donation Guidelines:

Decide in which park you would like to situate the tree, which tree species you'd like (it is a good idea to have a second choice in mind for both), and submit a completed Donation Application. Mail in or drop off the completed application to Neenah Parks & Recreation Department, 211 Walnut St., Neenah, WI 54956. Payment is due up front. You may either mail in a check with the application, or you can drop off the application and make a cash, check, or card payment in our office.

Donation Amount:

- A tree donation is \$300.00.
- The donation amount includes the tree, installation, and maintenance.
- Tree donations are tax deductible, and an official receipt will be issued to the donor by the City.

Installation & Location Choices:

- There is one planting per year in the spring. Requests and payments for spring planting must be received by March 1st to be planted the same year. All applications and payments that come in after March 1st will be for the following year.
- The City plants a number of different tree species and varieties that are considered appropriate for various locations in our parks. Please review the list of tree species options on the donation application.
- Occasionally, there may be a need to relocate or change the species of tree. If this is the case, the Parks & Recreation Department undertakes the relocation and covers all of the costs. Every attempt will be made to notify the original donor.
- The following parks are NOT available for tree donations: Shattuck Park, Arrowhead Park, Herb & Dory Smith Park, Capener Preserve, Bill Miller Trail, Wilderness Park, Neenah Dog Park, Kimberly Point Park.

Notification of Planting & Placement:

- The donor will receive a certificate indicating where the tree is planted along with a picture during the fall after it has been planted.

Guarantee Period:

- A donated tree will be replaced at no cost to the donor for the first 5 years if deemed necessary by the City Forester.

Neenah Parks & Recreation Department understands that the tree may have sentimental value; however, it is not to be considered a memorial or shrine. For that reason, the City respectfully requests that placement of flowers, wreaths, pictures, etc. at the site or adding fixtures to the donated tree is not permitted.
